Approval & disapproval of commission

Affiliates · https://psyasia.com/kb/approval-disapproval-of-commission/

We reserve the right to approve or reject ANY of your affiliate commissions. You will have no legal recourse against us for the rejection of your affiliate commission. We don't plan to abuse this as it is in our interests to keep you as an affiliate, referring clients to us for as long as possible. However, this paragraph is here to protect us legally and mainly serves to allow PsyAsia International to have the final decision in the case of any dispute as to where a sale originated and if it was a genuine referral.
