Your enrolment does not include one-to-one coaching with a psychologist tutor. This is available as a PsyGOLD Consult at a discounted fee.

The following optional or conditional fees are also not included:

- One 30-day extension per Level (Independent Mode): US$185.
- A competency exam, if we need to reaffirm your competence: currently US$129.
- A break of up to 180 days for multi-Level students: US$450. A break for a single-Level student: US$150.
- The on-loan paper materials pack for Level 1: US$140.
