What if my submitted work is not up to the required standards?

BPS Level 1 & 2 Online Training · https://psyasia.com/kb/what-if-my-submitted-work-is-not-up-to-the-required-standards/

We will ask you to reconsider your responses or we may set additional work. Please note that we usually cannot provide guidance on exactly what was wrong because the workbook is considered to be an assessment of your competence. Fees may apply for remarking depending on the amount of work required and the quality of the original submission.
