Do I need to attend all sessions of the Psychometrics for HR Decisions Course?

Psychometrics for HR Decisions Course · https://psyasia.com/kb/do-i-need-to-attend-all-sessions-of-the-psychometrics-for-hr-decisions-course/

We strongly advise that you attend every session because this is the only way to be issued with a certificate of attendance. If you feel you may not be able to attend every session, please consider signing up for a later date when you will be available.

However, if you find you are unable to attend just part of a single session (less than one hour), you may be able to watch the recording of the session and take the related quiz, and still receive the certificate of attendance.

In any event, you will have access to all session recordings for up to 6 months post-course. You will still be able to benefit from the learning but will not receive your certificate or be considered qualified to use tests within PsyAsia International / PsychometricAssessment.com
