Does the Psychometrics for HR decisions course give me competence in psychometrics?

Psychometrics for HR Decisions Course · https://psyasia.com/kb/does-the-psychometrics-for-hr-decisions-course-give-me-competence-in-psychometrics/

Not really!

This course exists to give busy HR and related professionals a quick introduction to the competent use of psychometric assessments of personality and aptitude/ability. However, for those who wish to have an in-depth competence in this area, we recommend more advanced training and certification, such as our Psychometric Assessment at Work Course.
