I am based in the UK – can I purchase psychometric tests from PsyAsia?

Psychometric Test Purchasing · https://psyasia.com/kb/i-am-based-in-the-uk-can-i-purchase-psychometric-tests-from-psyasia/

Yes you can. We are an Asia-based international organisation with English speaking staff. There is no VAT to pay for our psychometric tests. Payment can be made into our UK bank account in GBP if you prefer. You do of course need to be trained to use the tests you are interested in using. If you are not currently trained, you have the option to join our courses in Asia or our renowned, professionally developed online psychometric courses.
