**Pricing Notes**

*Identity pricing is on a credit system which charges 40 credits per candidate who completes the assessment. The system currently has 9 different report types. 40 credits are used per candidate who takes the assessment and thereafter you can produce any or all of the available reports for the candidate(s) who have taken the assessment.
*We charge a minimum of 5 candidates / 200 credits on each order. Please do not order less than 200 credits in your system.
*ALL BANK FEES, including intermediary fees (if any) must be paid by client.
