What are the training requirements to use the Identity Self-Perception Questionnaire

Psychometric Test Purchasing · https://psyasia.com/kb/what-are-the-training-requirements-to-use-the-identity-self-perception-questionn/

To use the Identity Self-Perception Questionnaire competently, for those without previous test experience, it is necessary to either join an Identity Accreditation Workshop or attend our (live or online) Psychometric Assessment at Work course.

If you are already qualified at BPS Level 2 Personality, you simply need to purchase the Identity manual from us and undertake to read it fully.

If you are already qualified in a substantive test (includes OPQ32, 16PF5, 15FQ+, HPI / **does not** include MBTI, Harrison, DISC, CentralTest or other "popular" tests) you simply need to purchase the Identity manual from us and undertake to read it fully.
