What does my Psychometric Assessment at Work course enrollment include?

BPS Level 1 & 2 Online Training · https://psyasia.com/kb/what-does-my-enrolment-include/

Your enrollment includes:

-Access to all professionally recorded training videos for the course.

-Access to our Online Learning Centre (same as used by top universities).

-Course manual, workbook and supplementary material.

-Access to our PsyGOLD professional development sessions, even after the course.

-One-time marking of your work for each Level of the course you registered for.

-Support from psychologist facilitator as per your course Mode (i.e., Supported Mode)

-Discounted one-on-one online meeting with the facilitator for additional support/questions.

Note: You will need to pay a small additional fee to the BPS after completing the course to the required standards in order to register with them.
