# What is the registration deadline for PsyAsia’s public training courses?

Training FAQs · https://psyasia.com/kb/what-is-the-registration-deadline-for-psyasias-public-training-courses/

Whilst the deadline varies somewhat depending on the course, it is usually around 1 month before the course. Please ensure that you allow sufficient time to send us payment and to subsequently complete any pre-course work. Do also note that many of our courses fill 8 weeks prior to going ahead and so we would advise firm delegates to register as soon as they can.
