What should I bring with me to the Neuropsychological Assessment?

Patient FAQs · https://psyasia.com/kb/what-should-i-bring-with-me-to-the-neuropsychological-assessment/

Bring reading glasses if you need them. Also bring something warm in case the air conditioning is too cold for you. Ensure you eat before coming and arrive in good time so you don't feel anxious or rushed. Be aware that you will probably spend 3-4 hours with your neuropsychologist! Please also bring any medical reports, list of current medications and results of any imaging such as MRI, CT etc.
