Where will my training course be held?

Training FAQs · https://psyasia.com/kb/where-will-my-training-course-be-held/

PsyAsia International confirms training course venues approximately 2 weeks before the course goes ahead. The venue chosen is based on the number of registrants and the course. We will always choose a comfortable venue conducive to first-class training.

In Singapore, most of our courses are conducted at the Conrad Hotel, Suntec City.

In Hong Kong there is more variation, but possible venues are Express by Holiday Inn at Causeway Bay or business centres in Central or Mong Kok.

In Malaysia, most courses will run at either the Hilton or Le Meridien above Sentral Station or at the Intermark.

The above is provided to help you to plan. We do not guarantee these venues until we email registered delegates with confirmation 2 weeks before the course.
